Circular - PG to 9th (OUTDOOR CLASSROOM DAY)

Dear Parents,

Date : 11.10.17

Learning outdoors creates lasting memories, helps build a greater awareness of the environment, provides more opportunities to think independently, and gets children feeling challenged and excited by learning. Children are more active when they play outdoors; It is essential for their healthy development and enjoyment of childhood.

We are pleased to organise the ***OUTDOOR CLASSROOM DAY*** tomorrow i.e. ***12th October 2017***. Following activities will be organized: -

1. Tree Care {Classwise Adoption of School Plants for PG to 9th students}
2. Sowing the Seeds {for 1st & 2nd students} - Please send small Plastic Bowl or Basket and Seeds of any plant along with your ward to school tomorrow morning. It is not a compulsion but the parents wish for the participation of their ward in Environment Friendly Activity.
3. Physical Activities like a Mile Run, Tug of War, Formation of Scholars Valley Express etc.

Building on the success of this campaign, our aim is to get involved twice or thrice in a year for children to learn and play outside. For students, this will be an opportunity to try learning outside the classroom for the first time.

Note: General Knowledge Test will be conducted as usual tomorrow; there is no change in it.

Warm Regards,

Amit Sehgal
